MEMORANDUM FOR: Acting General Counsel

SUBJECT : Request for Review of Your Opinion of 19 August 1954 in re: Payment for Transportation of Household Goods and Personal Effects - [REDACTED]
25X1A9a

REFERENCE : Memorandum from Assistant Director for Personnel to Deputy Director (Administration), dated 1 November 1954, with attachments

1. It would be appreciated if your office would review its opinion of 19 August 1954 in this case, in view of what appears to be certain additional documentation introduced in support of Master [REDACTED] claim for reimbursement, particularly that which relates to establishing his entitlement for payment under JTR Section 8009, 4.b(2), (3) and (6), by virtue of the non-concurrent travel of his dependents. 25X1A9a

2. Although the original Travel Orders moving Master Sergeant [REDACTED] from Washington to [REDACTED] did not specifically state that his dependents could not travel with him, nor did the amendment to these orders cut to accommodate the shipment of an additional 50 pounds of air freight, the fact that his dependents did not join him until more than the 20 weeks specified in the JTR might create conditions that would enable payment of the claim. 25X1A9a 25X1A6a

3. In view of the continued accumulation of storage charges on the shipment in question, anything that you could do to expedite handling of this matter would be appreciated.
